DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/20/2006 has been entered.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Claude Purchase on 7/7/2006.

The application has been amended as follows:

Replace the original lengthy Abstract with the new short abstract provided herewith. See attached "AMENDMENT TO THE ABSTRACT".

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Applicants' response, which included cancellation of claims 2-6 and amendment to claim 1, filed on 4/20/2006, is made of record. Claims 1 and 7-13 are now pending.

In view of applicants' response, the 112 second paragraph rejection made in the previous office action has been obviated.

The compound of formula I, namely pyrimidine-2,4-dione compounds with specific Q, R¹, R², R³ and R⁴ groups embraced in the instant claims was not found to be anticipated or rendered obvious by the prior art of record. Additional search in the related art area also did not yield any prior art disclosing pyrimidine-2,4-dione compounds with specific Q, R¹, R², R³ and R⁴ groups embraced in the instant claims. Therefore, the examiner noted that the claims 1 and 7-13 would be in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
